Linen-soft horizontal lines create a linen look (My personal favorite!).

Pebble-soft bumpy texture, just like you might find on a small pebble.

Embassy-combination of linen and pebble texture.

**Optional: Lustre Coating**

This is a water based coating that creates more of a matte look. If you plan on putting this on an easel to display or you like a matte look—this extra protection may be something you want.

8x10- additional \$1.50

11x14- additional \$2.25

**YOUR FAMILY—[Saved the Best for Last!]**

There are a couple of ways for you to get this information to me. You can fill in the information on this sheet or mail me your information via postal mail.

**\*\*\*The most important thing is to make sure the names are presented the way you want them to appear on your tree.\*\*\***

Example—I could be: Dawn Marie Peters (maiden name)

Dawn Marie Christensen (married name)

Dawn Marie (no last name)

If you are unsure—I would recommend using full names for the trunk. On the main branches use full names for the males and maiden names for the females.

A preview of the final product will be sent to you for final approval.
